

Safety Data Sheet

Section 1: Identification

Product Name: LCBee Natural Fertilizer

Product Form: Dust

Produced by:

The Leaf-Cutter Bee Shop, LLC 887 Owyhee Avenue Nyssa, Or 97913

Emergency Phone Number: 208-989-6035

Section 2: HAZARD IDENTIFICATION

Hazard Class: None.

This product is not deemed hazardous under the criteria outlined in the Federal OSHA Hazard

Communication standard 29CFP 1910.1200.

Signal Word: None.

Applicable Pictogram: None.

Precautionary Statement Prevention: Observe good hygiene practices. Dust mask

recommended if sensitive to dust or pollen.

Response: Wash hands after handling. If inhaled move to fresh air.

Storage: Store in a dry location.

Disposal: Dispose of waste and residues in accordance with local authority requirements.

Unclassified Hazards: None.

Toxicity: None.

Hazard(s) not otherwise classified (HNOC): None Known.

While this product does not fall under the auspices of the OSHA or WHMIS this Safety Data Sheet contains information critical to the safe handling and proper use of the product. This SDS should be retained and made available to all employees and end users of the product.

Section 3: COMPOSITION/INFORMATION ON INGRECIENTS:

Does NOT contain any hazardous ingredients according to OSHA 29CFR 1910.1200 criteria. Does NOT contain any hazardous ingredients according to WHMIS criteria.

Section 4: First Aid Measures

| Exposure | Symptoms | Recommendations | |
|--------------|------------|---|--|
| Inhalation | Irritation | Assure fresh air breathing | |
| Skin Contact | Irritation | Wash with water | |
| Eye Contact | Irritation | Rinse with fresh water, consult physician | |
| Ingestion | None Known | Rinse mouth, consult physician | |

Section 5: Fire-fighting Measures:

Extinguishing media: Use fire extinguishing materials appropriate for surrounding fire.

Unusual Fire & Explosion Hazards: None

Handling: Handle in accordance with good industrial hygiene. Wash hands after handling.

Storage: Store in a cool dry location out of reach of children and pets.

Incompatible Materials: None known

Section 8: Exposure Controls/Personal Protection:

PELs: Not listed
ACGIH: Not listed
TLVs: Not listed
Exposure Controls:
Hands: Wear gloves

Eye protection: Safety glasses if desired.

Respiratory protection: Use OSHA approved mask if desired.

Section 9: PHYSICAL & CHEMICAL PROPERTIES:

| Appearance | Dust | Boiling point | No Data Available |
|----------------|------------------------|----------------------|-------------------|
| Odor | Sweet, earthy, oatmeal | Flash point | No Data Available |
| рН | 5.3 | Flammability | No Data Available |
| Melting Point | No Data Available | Vapor Pressure | No Data Available |
| Freezing Point | No Data Available | Vapor Density | No Data Available |
| Solubility | No Data Available | Viscosity | No Data Available |

Section 10: Stability & Reactivity:

Reactivity: None known.

Stability: Stable

Possibility of hazardous reactions: Not established. **Conditions to avoid:** Storing in a damp location

Incompatible materials: None known.

Hazardous Decomposition Products: None known.

Section 11: Toxicological Information:
Acute and Chronic Toxicity: None known.

Carcinogenicity, Teratogenicity, Mutagenicity, Reproductive Effects: None known.

Section 12: Ecological Information:

No Information

Section 13: Disposal Considerations:

No Information

Section 14: Transport information:

No Information

Section 15: Regulatory Information:

No Information

Section 16: Other Information:

None

The information contained in this SDS is provided without warranty of any kind, express or implied. The information contained herein is made available solely for consideration, investigation, and verification by the original recipients hereof. Users should consider this information only as a supplement to other information gathered by or available to them. Users should make independent determinations of the suitability and completeness of information from all sources to assure proper use and disposal of these materials for the safety and health of employees, customers, and the environment. This hazard information is not a substitute for risk assessment under actual conditions of use. Users have the responsibility to keep currently informed on chemical hazard information, to design and update their own programs, and to comply with all applicable national, federal, state and local laws and regulations regarding safety, occupational health, right to know, and environmental protection.
